Re: 7-11 / June Doral B2G1F - B1G1F

Sharon,

Remember the surveys McLane told you about ?? Guess they were right! Please reference the following information concerning upcoming promotions for June. I will advise you upon receipt of info. from the responsible manager relative to the "conservative" estimate of quantities required for NE supplied stores (due in this office 3/23). As you are aware, I will be in Syracuse for the Laptop Rollout meetings 3/23-3/26, however, Judy will be in the office and will forward any pertinent info. to you.

Thanks for your help. Call if questions.
